### November 14 ISTANBUL

Arrive in Istanbul (having made your own travel arrangements) and transfer to the **Pera Palace Hotel**, which was built in 1892 for the purpose of hosting the passengers from the Orient Express (in fact, Agatha Christie wrote 'Murder on the Orient Express' whilst staying in room 411) and holds the title of "the oldest European hotel in Turkey". It offers magnificent views of the Golden Horn and is located in the Tepebaşı district of Pera, once known as "Little Europe". Today, Pera is the historical, cultural and social centre of Istanbul, with its vivid night life and sophisticated museums. The day is at leisure until we gather in the early evening for a welcome reception. Afterwards, the restaurants and nightlife of exotic Istanbul await your exploration. [Included -Overnight.]

### November 15 ISTANBUL

After a leisurely breakfast, a tour of this fascinating city awaits us. We commence our day with a visit to the impressive Topkapi Palace, which overlooks the majestic Bosphorus and served as the palace of the Ottoman Sultans between 16th and 19th centuries. It contains important holy relics of the Muslim world, including Muhammed's cloak and sword, and is among the monuments contained within the "Historic Areas of Istanbul", which became a UNESCO World Heritage Site in 1985. We will also visit the fascinating and impressive Blue Mosque of Sultan

Ahmet Camii, famous for its six minarets, its beautiful blue Iznik tiles, unique architecture and marble latticework. Lunch will be taken at **Nar Restaurant**, as we enjoy the magnificent views of the city. Afterwards, we will visit the Hippodrome, the centre of Byzantine life for 1,000 years, where chariot races and competitive athletic events would take place. We complete our tour with a visit to the famous Grand Bazaar, one of the largest covered markets in the world with 60 streets and 5,000 shops. It is well known for its jewellery, hand-painted ceramics, carpets, embroideries, spices and antique shops. The bazaar has been an important trading centre since 1461 and its labyrinthine vaults feature two bedestens (domed buildings), the first of which was constructed between 1455 and 1461 by the order of Sultan Mehmed the

Conqueror. The bazaar was vastly enlarged in the 16th century, during the reign of Sultan Suleiman the Magnificent, and in 1894 underwent a major restoration following an earthquake. Upon returning to our hotel we will have a few hours of free time to use as we wish, before venturing to dinner at **Giritli Restaurant**, a casual restaurant specialising in seafood and serving dishes typical of the Turks who once lived on the island of Crete. [Included - Overnight. B, L, D]

## November 16 ISTANBUL

After breakfast we will continue our exploration of the culture and history of Istanbul. To immerse ourselves in the local way of life, this morning we will take part in a culinary class that will teach us how to prepare a balanced five course meal featuring Ottoman classics, regional specialties and home cooking favourites. The class will conclude with us enjoying all of the dishes that have been prepared over a glass or two of local wine.

With our hunger sated, we take an unforgettable cruise along the Bosphorus, the majestic strait that runs through Istanbul, linking Europe and Asia. From our cruise boat, we view the dramatic sights lining the Bosphorus' wooded shores: mosques, a bridge that, for a time, was the world's longest and the massive Rumeli Hisari, a fortress built by Fatih the Conqueror in just three months as he prepared to conquer Istanbul. Also noteworthy are the 19th century mansions of the Ottoman elite and the Sultan's fanciful gingerbread palaces and hunting lodges. Our tour will conclude at around 4pm and the remainder of the day will be at leisure to rest, explore or shop before deciding where to dine this evening. [Included - Overnight. B, L]

## November 17 ISTANBUL – KAYSERI – CAPPADOCIA

After breakfast we will travel to the airport for our short flight to Cappadocia, a magical place of surreal scenery and a wealth of ancient churches. A truly compelling destination.

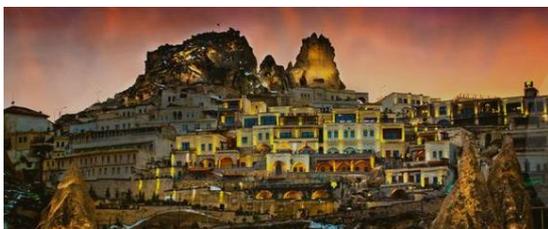

From the airport, we will commence our exploration of this wonderland with a visit to Kaymakli Underground City, one of many subterranean towns extending seven or eight levels into the earth. Constructed by peaceful farmers who lived in the region centuries ago, these were originally meant as underground hideouts for early Christians and for others fearing attacks by warlike tribes. Cappadocia is also known for its pottery and we will take time to visit a workshop for a demonstration by local artists. Lunch will be taken at the **Old Greek House**, one of the most celebrated and famous restaurants in Cappadocia. Afterwards, we will transfer to a Dervish house for a performance by the Whirling Dervishes. In Turkish dervish means "monk" and the performance of this dance was

originally a religious ritual by Sufi Dervishes or Mevlevi, the followers of Mevlana Jelaeddin Rumi. Their spellbinding worship service, the 'Mevlevi sema', is demonstrated while wearing long white dresses and whirling ecstatically to ancient Islamic hymns. At the end of the day we will make our way to the **CCR Hotel**, which will be our abode for the evening. Here we will be able to rest, relax and just let the world spin by, or to spoil ourselves beside a pool or on a sun-filled terrace overlooking truly magical views of this spectacular city! In the evening, all of the dinner and entertainment options that we may crave will be available to us within this magnificent hotel. [Included

## November 18 CAPPADOCIA

This morning (or better still the previous night) you will need to make an important decision, namely, whether to sleep in or to rise at 4.30am to participate in a truly memorable experience – a hot-air balloon ride at sunrise over the fairy chimneys and spectacular landscape of Cappadocia. As tempting as a sleep-in may be, this is one experience that should not be missed. For those that opt for the balloon ride, breakfast will be taken at the conclusion of the ride, which will still be around the usual time. Afterwards, we continue our discovery of Cappadocia with a visit to the renowned Goreme Open Air Museum, a UNESCO World Heritage Site that is also called "Caves of God." Here, we will see richly painted monasteries and

churches hollowed from soft, volcanic rock. In the colourful valley of Zelve, the unique landscapes continue with crags, pinnacles and steep valleys. We will be guests at a local home for lunch, serving traditional Turkish delicacies of the region. A highlight is a visit to the Valley of the Fairy Chimneys, where ongoing erosion to the huge boulders balancing precariously atop spindly cones of volcanic tuff is an amazing sight to see. Dinner this evening will be in the **Culture Museum**, featuring traditional Cappadocian dishes not found in other restaurants, and accompanied by one of the most beautiful panoramic views of Cappadocia. [Included - Overnight. B, L, D]

## November 19 CAPPADOCIA – AMMAN

Today we bid farewell to Turkey, as we make our way to the airport at Kayseri for the flight back to Istanbul and then on to Amman, the capital of Jordan. The exact flights that we will take will be determined once the flight schedules are available, but there will not be an overly early start to the day. Upon arrival at Amman's Queen Alia Airport, we will be assisted with all formalities and luggage collection, and transferred to our abode for the evening, the **Jordan Intercontinental Hotel**, where we will also have dinner. [Included - Overnight. B, D]

## November 20 AMMAN

After breakfast, enjoy a short tour of the city, visiting the Roman Amphitheatre, the Citadel and two museums. Afterwards we will drive north to visit the stunning ancient city of Jerash, whose golden age came under Roman rule. This historic site is now acknowledged to contain some of the best preserved Roman ruins in the world. It is an outstanding example of the grand, formal provincial Roman urbanism that is found throughout the Middle East, comprising paved and colonnaded streets, soaring hilltop temples, magnificent

theatres, spacious public squares and plazas, baths, fountains and city walls pierced by towers and gates. Lunch will be taken at one of the finest local Lebanese restaurants and will feature a briefing by the chef on local flavours and ingredients. Upon return to our hotel, the remainder of the afternoon will be at leisure. Then to cap what will have been a memorable day, dinner tonight will be a special, home-hosted dinner with a local Jordanian family, at which we will enjoy genuine Arabic food. [Included - Overnight. B, L, D]

## November 21 AMMAN – MT NEBO – KERAK CASTLE - PETRA

After breakfast, we will make our way to the ancient town of Madaba, which boasts the finest collection of well-preserved Byzantine mosaics. Madaba's real masterpiece, in the Orthodox Church of Saint George, is the 6th century AD mosaic map of Jerusalem and the Holy Land – the earliest religious map of the Holy Land in any form to survive from antiquity. We then head to Mt. Nebo, where Moses gazed at the Promised Land before he died, and which is now believed to be his burial place. We will visit the old monastery and overlook the Jordan Valley, Dead Sea, Jericho and Jerusalem. Before we head southward, we stop at a local falafel restaurant to buy traditional bread and falafel and have this light meal on the coach as we continue on the Kings Highway. Upon arrival at Kerak, we will stop to enjoy a very special Arabic lunch, before visiting one of the most important Crusader castles in the region. We then continue

on to Petra, where our accommodation will be at the **Movenpick Hotel Petra**. After time to freshen up and relax, we head to dinner at Petra Kitchen, where you will immerse ourselves in the local customs by having the opportunity to cook our very own Arabic meal under the guidance of local experts. [Included - Overnight. B, L, D]

## November 22 PETRA

Following breakfast, we set off to visit the red rose city of Petra, Jordan's most important historical attraction. Petra was first established around the 6th century B.C. by the Nabatean Arabs, a nomadic tribe who settled in the area and founded a powerful commercial empire. Petra had been hidden to the world for centuries, until it was happened upon by an adventurous Swiss explorer (Johann Burckhardt) who had befriended the local Bedouins in 1812. Our visit will include the Street of Facades, the Royal Tombs and Pharaoh's Castle under the guidance of our expert guide. To add to our enjoyment of this spectacular location, lunch will be taken under Bedouin tents set up at a higher point in Petra City overlooking the entire site, with the chef giving us expert commentary on the meal. Afterwards we return to our hotel for an afternoon at leisure. This evening, we cap off what is sure to be a highlight of our journey by attending the "Petra by Night" tour which features the Siq lit up with candles. [Included - Overnight. B, L, D]

## November 23 PETRA – WADI RUM – DEAD SEA

This morning we visit Wadi Rum (also known as the 'Valley of the Moon'), the largest and most magnificent of Jordan's desert landscapes. In these ancient valleys cut into the sandstone and rock, the elements of nature have modelled and carved out this spectacular lunar-like panorama. Lunch will be served in a private Bedouin camp, as we are shown how the traditional Bedouin meal "Zarb" is made in the desert. Afterwards, we will take a leisurely 2-hour tour in the desert in 4-wheel drive vehicles,

as we make our way to the **Kempinski Ishtar Hotel** at the Dead Sea, our accommodation for the night. Dinner this evening will be taken in one of the hotel's fine dining restaurants. [Included - Overnight. B, L, D]

## November 24 DEAD SEA - AMMAN

This morning is at leisure so that we can relax and enjoy the beauty of the Dead Sea, before later making the return journey to Amman. For lunch we will be assisting an Arabic chef in preparing items of our choice at Beit Sitti Restaurant. Afterwards, the day is at leisure for you to spend as you wish, be it touring the old parts of the city, shopping or just relaxing. Dinner will be at one of the local restaurants. [Included - Overnight. B, L, D]

## November 25 AMMAN – MUSCAT

The morning is ours to enjoy at leisure, before later transferring to Queen Alia International airport for our onward flight to Muscat, the capital of Oman. Upon arrival, we will be transferred to our hotel, the magnificent **Grand Hyatt**. There will be ample time for us to relax in our new abode before enjoying dinner in the **Safari Grill House** within the Grand Hyatt. [Included - Overnight. B, D]

## November 26 MUSCAT

After breakfast we depart for a city tour of Muscat, starting with the Grand Mosque, the most exquisite one in Oman. We

then visit Bait Al Zubair Museum, which contains an extensive collection of traditional Omani weapons such as swords, daggers, rifles and their accessories, along with jewellery, cosmetics and costumes from various regions of Oman. Our next stop is Muttrah Souq – one of the most popular souqs (traditional markets) in the Middle East – where there will be time to take a walk in its labyrinthine alleyways beckoning with a myriad of merchandise, from imported fabrics

to exotic Oriental spices, perfumes and richly handcrafted artefacts. Afterwards, we pass by the magnificent Al Alam Palace, the official residence of His Majesty Sultan Qaboos Bin Said, current ruler of the Sultanate of Oman. The palace is an architectural marvel for both its design and its location between the twin Portuguese forts of Mirani and Jalali. Lunch will be taken at Mumtaz Mahal, regarded as one of the finest Indian restaurants in Oman and offering one of the best views of Muscat. The afternoon will be at leisure so that you can do whatever takes your fancy. This evening we will join a local family who will show us how to try our hands at cooking some of the local delicacies. [Included - Overnight. B, L, D]

## November 27 MUSCAT - WAHIBA SANDS

After breakfast we head towards Wahiba Sands, driving along the famous route once travelled by renowned travellers like Marco Polo. We stop at Sharqiya Sands resort for a comfort stop and then continue with a visit to Wadi Bani Khalid, which is sandwiched between high cliffs and offers several vantage points above the water from which to enjoy the peaceful scenery and look down on the reflections of the dramatic scenery in the limpid pools. The Wadi has clear deep blue water and is a perfect place for a swim. We will partake of a casual lunch at the Wadi before continuing on to Wahiba

Sands. When we arrive at the edge of the desert we deflate the tyres of our vehicles to drive over the dunes as we make our way to the **Desert Nights Camp** in the late afternoon. The camp is an oasis in the golden sands and is sprawled across 10-acres of silken sands, secluded 11km within the vast isolation of the Omani desert. 30 luxurious Bedouin style tents await those who seek the ultimate desert vacation. Upon arrival we can unwind and relax, as we get ready to watch the sun set on the dunes. Dinner will be served in the Camp. [Included - Overnight. B, L, D]

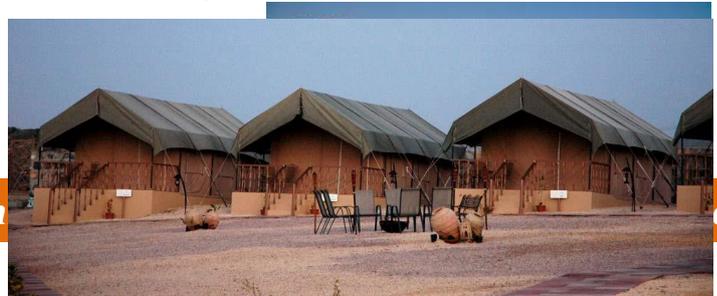

## November 28 WAHIBA SANDS – THE VIEW

After breakfast we depart for Nizwa, the traditional capital of the vast interior region of Oman. On our way we visit Sinaw

Market and Nizwa Fort, the 17th century round tower fort that is Oman's most impressive tower. From the top, a superb panoramic view will give us a bird's eye view all around Nizwa and the surrounding plains. Afterwards we visit Jabreen Fort via the pre-Islamic village of Bahla, before driving to the quaint village of Al Hamra, whose multi-story mud houses are among the oldest preserved in Oman. We visit Bait Safa Museum, which is over five hundred years old, built on three floors, with the ground floor used solely for storage – of dates and date honey. We will have an indoor tour to discover aspects of the ancient Omani daily life including Qahwa (coffee) making, the making of Omani traditional bread, extraction of

Alshoa medicine, making of perfumes and frankincense, hand tailoring the making of Omani Kumma (male head cover), butter extraction and the making of dates and lemon drinks. Lunch will be served in the museum and will

be typical Omani food served in traditional style, seated on cushions on the floor. In the afternoon we drive to Misfah, a lovely village with stone houses precariously clinging to the mountainside, before checking in at **The View**, Oman's first-of-its-kind eco-luxury retreat, complete with tent styled accommodation, and nestled in the lap of nature across a wide stretch of valley spanning the Jabal Shams Mountains. Dinner will be served in The View restaurant. [Included - Overnight. B, L, D]

This morning we visit Wadi Ghul, the land of the traditional weavers of Oman and Wadi Nakher which is considered to be Oman's deepest canyon. Later we drive to Jabel Shams, the highest peak in the Gulf region to enjoy the view of this truly

grand canyon. We then visit Sarafat Al Aiman, which is tucked away in a remote corner of Al Hamra's rugged mountains. We

will break for lunch at a guest house on top of the mountain by the name of Al Hoota Rest House. In the afternoon we return to The View to enjoy the remainder of the day at leisure and to watch the sun setting in the distance. Dinner will again be taken in the restaurant at The View. [Included – B, L, D]

## November 30 THE VIEW – JABEL AKHDER – MUSCAT

This is the best place to buy traditional silver "Khanjars" (hand-carved Omani daggers) and Bedouin jewellery, with silver sold by weight. As we pass through Wadi Al Madeen a 36 km stretch of winding road takes us to Jabel Al Akhdar (2000 metres above sea level)

the green jewel of the Al Hajjar mountain

ranges, a truly unique spot in the Arabian Peninsula. Al Jabel Al Akhdar is famed for its fruit orchards typically laid out terrace style along the slopes of mountains, which are endowed with natural springs. The villages

of Saiq, Wadi Bani Habib (the village of the old houses) and Al Ain dot the landscape and overlook a spectacular landscape of dramatic peaks, gorges and wadis. Lunch will be served at **Shahab Hotel**, before we drive on to Muscat en-route stopping at the pretty village of Birkat- Al-Mauz.
